MAY 1985 v2 no1

With this issue, we introduce the Lawrence County Genealogical Society Logo we have worked on for many months. Those who have already received their memberships are familiar with it, since it was printed on the new membership cards. We are very proud of the results of those who have contributed to the logo, especially Betty Burcham and Barbara Rutledge. Manuel Gracia, an exchange student who lived with the Burchams, drew the original design. The symbols that were chosen are those we considered the most important representatives of our county history. The sun rays were taken from the Great Seal of the State of Ohio - Dome of the present Courthouse - The Iron Furnace - Outline of the County, with townships marked - Rome Beauty apple - and The Lizzie Bay, a Lawrence County based packet boat that went up and down the river. In the outer ring we placed the Ohio symbol, the Buckeye.

*Looking forward to the
state OGS meeting - May
17th and 18th!*
