 mine published in the Wayne

OGS Convention

Grace Church, a faithful member
 of LOGS, died in February. We will miss her.

Spring is almost here. Many of us have been
 drooling over the seed catalogs for weeks. Planning
 and planting - necessary not only for our vegetable
 and flower gardens, but for all that we do.

Genealogy is a prime example of planning and
 planting - can be hard work, but OH the rewards!

We have a note elsewhere about the celebration
 going on in the county during 1987. Do plan to
 attend the activities - a lot of good people are
 giving of their time to make each event a success!
 Join the fun - volunteer.

**200 YEARS AND STILL
PIONEERING**

We are taking part in the Northwest Ordinance and the United States Constitution Celebration that is taking place this year.

THE NORTHWEST ORDINANCE AND
THE UNITED STATES CONSTITUTION
BICENTENNIAL COMMISSION

Our special project is to maintain a display of early families of Lawrence County photographs. Photos of their homes, at work, or play, etc. This will take place in July

from the 11th to the 30th at the John Campbell Home - one of the older homes in Lawrence County, and in the National Register.

Other things we are doing include making a quilt (see pattern), and publishing a cookbook of old recipes, remedies with tid-bits about them. Many are involved in the activities of other months through the year. But, we would like for all of you to share - so send us copies of old family photos, recipes, etc. **Help us with this - send them SOON.**
